*All you have to do is select these enlargements from your presentation album of 5x5 pro prints and give your order to Affordable Memories Photography email or by using a special photo order sheet provided. A negative number is used to identify individual photos in your order and is provided with each 5x5 in your presentation album. These pro prints are finished photos suitable for placing in other albums or handing out to friends and relatives. Affordable Memories Photography will place your 8x10s in your large designer album based on our experience or on any order of arrangement from you. Selection of photos is by your choice.

Payments can be made in three instalments: First non-refundable deposit payment of one-third the total is due along with contract, second one-third payment is due 30 days before wedding, and final payment is due day of wedding. Or payments can be made in two installments: First non-refundable deposit of \$500.00 and final payment of total due 30 days before wedding. All photo orders must be in writing and payment is due for extra photos at time order is presented to Affordable Memories Photography.
